

WPS Research Discount

For scientific, peer-reviewed scholarly research projects

To apply for this discount, email rights@wpspublish.com or fill out the form below.

If you have not received a response to the form below within 48 hours, please email rights@wpspublish.com.

On a preapproved, order-by-order basis, WPS extends a discount to qualified investigators who are conducting scientific study as part of a peer-reviewed, time-stamped, funded scholarly project. The WPS Research Discount is generally 20% off WPS proprietary materials, and 50% off per-use computerized components.

Please note:

- Discounts are not issued retroactively.
- Discounts are only available on WPS-published items, identified by a "W-" product number (example: W-382). No scholarly discounts are available on CE materials, training components, or products that WPS distributes on behalf of other publishers.
- Please allow at least one week for your application to be processed. Once approved, a formal quote will then be emailed to you.
- To avoid potential delays, please do not apply for a WPS Research Discount concurrently when placing an order.
